Zurich, 17 December 2018

Inauguration of a commemorative plaque and exhibition opening of "A Second Life"

Dear Mr. Vancura,

The University of Zurich would like to express its gratitude and appreciation for the donation of a commemorative plaque from the Czechoslovak UZH Alumni to the University as well as for your presence at the exhibition opening of "A Second Life – Stories of people who found a new home in Switzerland after 1968", which took place on 3 December 2018 at the University of Zurich.

The exhibition opening as well as the inauguration of a commemorative plaque marked an important event as well as the special relationship between Switzerland and the Czech Republic. Together with the academic sessions in the morning between the University of Zurich and the Charles University, we look back to an event which deepened the partnership between the universities as well as the two countries.

We look forward to many more years of close relationship.

Sincerely,

A handwritten signature in blue ink that reads 'Michael Hengartner'. The signature is stylized and fluid, with the first and last names clearly legible.

Prof. Dr. Michael Hengartner
President
